

BEAUTIFUL HEART

©2002 Val Strain / Wowee Publishing

Release me from this fear
And teach me how to draw near
And make my heart more like your heart
Make my heart more like your heart today, and every day

Cause you have the most beautiful heart,
You have the most beautiful heart
You have the most beautiful heart in the world

I know You know that I want a perfect heart, I want a perfect heart
Lord, You know that I want a perfect heart, I want a perfect heart
Lord, You know that I want a perfect heart, I want a perfect heart

Release me from my anger and teach me how to live better
And make my heart more like your heart
Make my heart more like your heart today, and every day

Cause you have the most beautiful heart,
You have the most beautiful heart
You have the most beautiful heart in the world

I know You know that I want a perfect heart, I want a perfect heart
Lord, You know that I want a perfect heart, I want a perfect heart
Lord, You know that I want a perfect heart, I want a perfect heart

Cause you have the most beautiful heart,
You have the most beautiful heart
You have the most beautiful heart in the world

TOUCHMY EYES

Touch my eyes and let them see the way that you have for me.
Touch my eyes and let them see the way that you have for me.
'Cause you are the Way, you are the Truth, and I need You.
You are the Light, that lights up my way, and I need You.

Touch my eyes, that they might see the way that you have for me.
You are the Way, you are the Truth, and I need You
You are the Light that lights up my way, and I need You

Ba da da dum, ba da da dum, ba ba da ba, ba ba da ba
Ba da da dum, ba da da dum, ba ba da ba, ba ba da ba

Just one touch, and I'll be healed, You are my hope, You are my shield.
Touch my eyes, that they might see the way you have for me.
You are the Way, you are the Truth, and I need You.
You are the Light, that lights up my way, and I need you today

You are the Way, you are the Truth, and I thank you
You are the Light, that lights up my way, and I thank you today, yeah

THIS IS THE DAY

©2002 Val Strain / Wowee Publishing

Every hour, that ever was
Was filled with power, was filled with love
Oh, this is the day, this is the day that the Lord has made.

And I will rejoice, and I will be glad
Thankful when I'm happy, strengthened when I'm sad
And every day is made by the hand
Of the One true love, the One who understands
And I know, I know

That this is the day, this is the day
This is the day that the Lord has made!
Oh, this is the day, this is the day
This is the day that the Lord has made!

And Every hour that is to come
Is a gift from the Father, the Spirit, and the Son.
Oh, this is the day! this is the day!

And every hour that ever was is filled with Power, is filled with Love.
Oh, this is the day! this is the day!

And I will rejoice, and I will be glad
Thankful when I'm happy, strengthened when I'm sad
Oh, this is the day, this is the day
This is the day that the Lord has made!

Every hour that ever was
Was filled with Power, was filled with Love.

GOD OF LOVE

©2002 CJ / worshipforkids music

Every mountain, every valley, every rock, every stream
Every sunrise, every sunset, everything I see
Every summer, every winter, every fall, every spring
All creation born to worship, all creation sings

You are the ONE who made, *You are the God of love*
You are the ONE who saves me, *You are the God of love*
You are the ONE who holds me, *You are the God of love*
You are the ONE who saves me,
I could never get enough of You... Of You

RAY OF SUNSHINE

©1997 CJ & Val Strain / worshipforkids music

You're there at the end of my rainbow
That's you at the end of my dream
More than anyone ever needed
The answer to my prayer... the air I breath

And you, you're like a ray of sunshine
And I, I wanna give you something
Cause you, you give me everything I need

You're there all around me
Your everlasting love, it surrounds me
And there's nothing I could do... doubt, scream, or shout
To ever make you stop from loving me

And you, you're like a ray of sunshine
And I, I wanna give you something
Cause you, you give me everything I need

You're there every single minute
You're waiting to hear from me
And I know I don't deserve it
You hear my prayer... You care for me

And you, you're like a ray of sunshine
And I, I wanna give you something
Cause you, you give me everything I need

And I want to give something back
I want to give something back

And you, you're like a ray of sunshine
And I, I wanna give You something
Cause you, you give me everything I need

DANCE FOR YOU

©2002 Brooklynn Grace & CJ / worshipforkids music

I'll dance for You, dance for You
I'll dance until the end of time
I'll dance because I know You're mine

I'll dance with You, dance with You
I'll hold You tight with all my might
I'll hold You close, I know it's right

I'll dance, I'll dance, dance for You, dance for You

I'll sing for You, sing for You
I'll sing until the end of time
I'll sing because I know You're mine

I'll sing with You, sing with You
I'll sing with You in harmony
The perfect song for You and me

I'll sing, I'll sing, sing for You, sing for You

I'll clap for You, clap for You
I'll clap until the end of time
I'll clap because I know You're mine

I'll clap with You, clap with You
I'll clap with You the perfect beat
I'll clap with You and stomp my feet

BLAMELESS HEART

©2002 Val Strain / Wowee Publishing

Give me a blameless heart Oh Lord, that I might serve You
Give me please a blameless heart, that I might serve You better

Give me a humble heart Oh Lord, that I might serve You
Give me please a humble heart, that I might serve You better

Open the door to my heart, heal what is broken
Open the door to my heart

Give me a blameless heart Oh Lord, that I might serve You
Give me please a blameless heart, that I might serve You better
Know You better, love You better

Open the door to my heart, heal what is broken
Open the door to my heart

Give me a blameless heart Oh Lord, that I might serve You
Give me please a blameless heart, that I might serve You better
Know You better, love You better
Lord, give me a blameless heart.

Open the door to my heart, heal what is broken
Oh Lord comes open my heart

Give me a blameless heart Oh Lord, that I might serve you
Give me please a blameless heart, that I might serve you better.
Open the door to my heart, heal what's broken

*(The term "blameless heart" is from Psalm 101)
