©2005 Val Strain / Wowee Publishing

I come to You in the morning and I thank You for this day
I come to You and I thank You... You put a smile on my face
And I feel so good, and I feel so good

Cause it feels so good to know You
And it feels so good to show You
And it feels so good to tell You, I love You, I love You
It feels so good to know You
And it feels so good to show You
And it feels so good to tell You, I love You, I love You
I love You, I love You and You love me too, Lord

I come to in the afternoon, beggin' you to come back soon,
Cause every heart, in this whole world,
Every heart, Lord, needs You.

Cause it feels so good. Yeah it feels so good.
It feels so good to know You, It feels so good to show You
It feels so good to tell You. I love You, I love You

Cause it feels so good. Yeah it feels so good
It feels so good to know You, It feels so good to show You
It feels so good to tell You. I love You, I love You
I love You, I love You and You love me too, Lord

I come to You in the evening and I thank You for this day
I come to You and praise You for keeping me safe

And it feels so good to know You, It feels so good to show You
It feels so good to tell You. I love You, I love You
It feels so good to know You, It feels so good to show You
It feels so good to tell You. I love You, I love You

I love You, I love You, I love You, I love You
It feels so good to know You,
It feels so good to show You
It feels so good to tell You. I love You, I love You
It feels so good to know You, It feels so good to show You
It feels so good to tell You. I love You, I love You

It feels so good to know You,
It feels so good to show You
It feels so good to tell You. I love You, I love You

And I feel so good.

ONE TRUE GOD

You are more than I can imagine
You are more than I'll ever know
You are more than the stars up in heaven
You are more than I'll ever know

All of heaven falls before
All creation shouts your name
Shouts your name and say

You are God, One True God
Your are God, You never change
You are God, One True God
Your are God, You never change, You never change

You are more than the waves of the ocean
You are more than the sand of the sea
You are more than the thunder and lightning
You are more than I'll ever need

All of heaven falls before
All creation shouts your name
Shouts your name and say

You are God, One True God
Your are God, You never change
You are God, One True God
Your are God, You never change

You are God, One True God
Your are God, You never change
You are God, One True God
Your are God, You never change, You never change

You are more than I can imagine
You are more than I'll ever know

All of heaven falls before
All creation shouts your name
Shouts your name and say

You are God, One True God
Your are God, You never change
You are God, One True God
Your are God, You never change (X2)

You never change...

I WANT TO BE LIKE YOU

I want to be like You, I want to be like You Jesus.
I want to be like You, I want to be like You Jesus.

Empty me, empty me this is my prayer.
Empty me, empty me this is my prayer.

I want to be like You, I want to be like You Jesus.
I want to be like You, I want to be like You Jesus.

Fill me up, fill me up this is my prayer.
Fill me up, fill me up this is my prayer.

I want to be like You, I want to be like You Jesus.
I want to be like You, I want to be like You Jesus.

More of You, more of You this is my prayer.
More of You, more of You this is my prayer.

Cause I want to be like You, I want to be like You Jesus.
I want to be like You, I want to be like You Jesus.
Cause I want to be like You, I want to be like You Jesus.
I want to be like You, I want to be like You Jesus.

Psalm 143

Let the morning bring me word of your unfailing love
I put my trust in You
Show me the way that I should go Lord
For to You I lift up my soul
Rescue me from my enemies oh Lord
For I hide myself in You

Teach me to do Your will for You are my God
May Your good Spirit lead me on level ground (X2)

Let the morning bring me word of your unfailing love
I put my trust in You
Show me the way that I should go Lord
For to You I lift up my soul
Rescue me from my enemies oh Lord
For I hide myself in You

Let the morning bring me word of your unfailing love
I put my trust in You
Let the morning bring me word of your unfailing love
I put my trust in You
Let the morning bring me word of your unfailing love
unfailing love, unfailing love, unfailing love
Let the morning bring me word of your unfailing love
unfailing love, unfailing love, unfailing love

Your unfailing love, unfailing love, unfailing love
Your unfailing love, unfailing love, unfailing love

Let the morning bring me word of your unfailing love
I put my trust in You

JUMP INTO YOU

©2005 CJ & Val Strain / Olga Music / Brook Alley

I want to jump into You with everything I've got
Give glory to You with my life
I want to dive into You with all that I am
I wanna make You smile
I wanna make You smile

And I know that You love me
And I know that You care
And I know that You hear me
And I know You're always there

So I sing hallelujah
Lord, I sing hallelujah
Oh I sing hallelujah to Jesus you my King

I want to walk next to you and hold on so tight
Give glory to You with my life
I want to call out Your name and say that I love You
I want to make You smile
I want to make You smile

And I know that You love me
And I know that You care
And I know that You hear me
And I know You're always there

So I sing hallelujah
Lord, I sing hallelujah
Oh I sing hallelujah to Jesus you my King

And I know that You love me
And I know that You care
And I know that You hear me
And I know You're always there

I want to jump into You with everything I've got
Give glory to You with my life
I want to dive into You with all that I am
I wanna make You smile
I wanna make You smile

So I sing hallelujah
Lord, I sing hallelujah
Oh I sing hallelujah to Jesus you my King (X2)

PLEASE HELP ME TRUST

Please, help me trust when I don't trust enough Lord
Please, help me love when I don't love enough
Lord, I need You. I need You right now.
Oh Lord, have mercy on me.

Please, give me joy 'cause I can't get enough Lord.
Please, give me peace 'cause I can't get enough.
Lord, I need You. Oh Lord I need You right now.
Oh Lord, have mercy on...

This child reaching up to You Lord
This child calling out to You Lord
This child with open arms
This child with an open heart

Please, help me trust when I don't trust enough Lord
Please, help me love when I don't love enough Lord
Please, give me joy, cause I can't get enough Lord
Please, give me peace, cause I can't get enough
Oh Lord, I need, I need You. Oh God, I need, I need You
Right now, oh Lord, have mercy on...

This child reaching up to You Lord

Right now, oh Lord, have mercy on me

WE WANNA LIVE

©2005 Val Strain / Wowee Publishing

Where there is anger, send down laughter.
Where there is hatred, send down love.
Where there's confusion, send down truth.
Send down You. Send down You.

Where there is darkness, please bring light.
Where there is blindness, please bring sight.
Where there is deafness, please bring sound.
Please come down. Please come down.
Please come down. Please come down.

Cause we wanna live. We wanna live.
We wanna live. Live in You.

Where there is danger, send down angels
Where there is fear, send down strength.
Where there is sickness, send down healing.
Send down You. Send down You.

Where there is hurting, please bring comfort.
Where there is hunger, please bring food.
Where there is thirst, pour living water.
Pour it down, pour it down. Pour it down, pour it down.

Cause we wanna live. We wanna live.
We wanna live. Live in You.
We wanna live. We wanna live.
We wanna live. Live in You.

Where there is anger, send down laughter.
Where there is hatred, send down love.
Where there's confusion, send down truth.
Send down You. Send down You.

Cause we wanna live. We wanna live.
We wanna live. Live in You.
Cause we wanna live. We wanna live.
We wanna live. Live in You.

We wanna live. We wanna live.
We wanna live. Live in You.
We wanna live. We wanna live.
We wanna live. Live in You... We wanna live.

No matter what You do, God... it's the, right thing.
No matter what You say, God... it's the, right thing.

Cause You are God, there is no other.
You are God, the only God.
The only King of my heart.
The only thing that really matters.
You are God. I love You God.

No matter where You go, God... it's the right way.
No matter where You lead, God... I will follow.

Won't You tell me what the way is.
Won't You tell me what the way is.
Won't You tell me what the way is.
I need to know. I need to know.

Cause You are God, there is no other.

ALL THAT I NEED

©CJ / Olga Music / Brook Alley

Hear our prayer, oh Lord
Walk among us now, we long to know Your power
Hear our cry, oh Lord
Move within this place, we long to see Your face

For You, You alone
You're all that we need, all that we need
For You, You alone
You're that we need, all that we need, oh Lord
